

**Help assist our teachers in teaching literacy skills and money management skills to the children of adults attending our**

## ***Making the Most of Our Money Program***

No experience necessary! In these tough economic times, many individuals and families are struggling to make ends meet. Countryside Church Unitarian Universalist's *Making the Most of Our Money* program meets for nine weeks and teaches clients and their families better money management skills and how to budget.

While the adults are in one classroom, a separate class for the children teaches literacy skills and knowledge of money. You can assist in helping to improve these children's lives by volunteering to be a teaching assistant in the children's portion of the program. This age-appropriate children's course is especially designed to run concurrently with the adult program. You will assist the teachers with the class. No experience is needed. All it requires is the desire to help. You can sign up to help assist for several evenings or sign up to be an assistant for the entire session.

Classes are held on Wednesday nights from **7:00 p.m. - 8:30 p.m.** **The next session is scheduled for October 5, 2011 through December 7, 2011.** The Mentor/Teaching Assistant Application is attached. **Completed applications must be received by September 19, 2011.**

All classes are held at Countryside Church, 1025 N. Smith Rd., Palatine, Illinois. The church is located on Smith Road between Rt. 14 (Northwest Highway) and Dundee. We are located west of Rt. 53. Clients must provide their own transportation to the program.

*Making the Most of Our Money* is the recipient of the 2009 Township of Palatine award for Outstanding Community Service. *Making the Most of Our Money*, sponsored by Countryside Church Unitarian Universalist, is a non-denominational program that does not promote any religious doctrine or creed. All are welcomed and respected.
